DEDICATION

THANK YOU SOLOMON'S

The Solomon Family has consistently supported Joseph City Schools in many ways throughout the years. As a small token of appreciation we would like to dedicate this year's Joseph City Junior-Senior High School Yearbook to their family. We are proud to have had the opportunity to work with many of their children and grandchildren over the years and we appreciate all that they have contributed to make our schools what they are.

A school is often considered a reflection of the community that it serves. We recognize your service, support, and contributions to our schools and want to say thank you for everything that you have done.

Respectfully,
Joseph City Schools

BAND OF BROTHERS

RESPECT ALL - FEAR NONE!

The Wildcat Football Team had a great year! This was one of my favorite years as a coach. We had a great bunch of young men that worked hard and really came together as a team. The wildcats went 6 - 2 during the regular season and made the playoffs as the 12th seed. I think the signature win was the 22-14 win over Mogollon. It was a win on their field and their Homecoming! We also beat Mogollon in the first round of the playoffs on our home field 63 - 46.
These players are a great bunch of young men and I really appreciate their hard work and great sportsmanship. They represented JCHS well. This year's team was a great example of how hard work and dedication can lead to success! - Coach Larsen

The Joseph City Wildcat Volleyball team ended its season with a 9-11 record. There were two Freshman, one Sophomore, six Juniors, and three Seniors on the team; only five players were returning from varsity from last year. One of the most inspirational games that we played this year was against the Williams Vikings on their home court. We had already played four away games that week; we were all tired and had to dig extra deep to play. Even though the team lost, I will forever remember the way they met each challenge with determination and heart! We lost in very close games 24-26, 27-29, and 23-25, but it was the best I had ever seen. It was an honor and privilege to coach these girls. I look forward to next year! - Coach Brennan

This 2016-17 was our year for "Making History." We had a young team of Sophomores and Freshmen. Jacob Bushman was the first Freshmen boy, and the only runner to qualify for state competition this season. Jacob was at all meets and set personal records at all meets. Jacob received a JV first place medal at both the Winslow and Blue Ridge meets. Jacob's personal record was 18:37.8. Kaden Moss earned 14th place at Dave Conatser Invitational. Carlos Sanchez, Eligh Ashcroft, and Talon Smith ran cross country as well as played football this year. We were glad to have these boys out and enjoyed their personalities at practice each morning. Talon Smith received a medal at all regular season meets at the varsity level. Talon Smith holds the JCHS school record for 5k at 18:32. Kaitlyn Begay was the first and only girl to compete from JCHS, setting personal records at each meet. I enjoyed coaching these students and look forward to next year! - Coach Smith

The boys basketball team had an incredible season. The team did not generate a lot of preseason talk from other teams in the region; however, the boys proved that hard work, focus, and determination can lead to great success. The team lost their first region game of the season, then went on to win 15 region games in a row, finishing the season as region champions! In the state playoffs, we won our first round game and then lost to the number one team in the quarterfinals. I couldn't be more proud of the effort given by the team, including all of the assistant/ volunteer coaches. -- Coach Miller

WE ARE VERY PROUD OF HOW WE PROGRESSED, NOT ONLY AS A TEAM, BUT AS INDIVIDUALS AS WELL. WE ARE VERY EXCITED FOR THE NEXT SEASON TO ARRIVE AND FOR THE CHANCE TO PICK UP WHERE WE LEFT OFF FROM THIS SEASON. The 2016-17 season was very successful! Placing 4th at the Holbrook tournament to get us started, then placing 3rd at the Chandler Prep Tournament. After Christmas we hosted the JC tournament and place 8th, following that we participated in the Winslow tournament and placed 21st, then on to Mogollon were we placed 3rd. At regionals we took 4th and qualified seven wrestlers this year: Jesse Hulsey, Trey Tuckfield, Joe Burt, Cameron Baldwin, Eligh Ashcroft, Toby Ballew, and Ben Spurlock. State was tough this year, but we fought a good fight and came in 15th. Cameron took 5th place and Trey took 4th at state! Coach Baldwin and Tenney were very pleased with the sportsmanship and character these young men showed throughout the season. We are looking forward to adding to the success of this season next year.

2017 track season was a building year. We had a very young team, which usually means growing and learning. Two seniors, Aaron Johnstun and Shyann Flake lead the team. Three juniors, Matt Fields, Brandon Yazzie and Adrian Baloo came out as our returning upperclassmen along with Sophomores Talon Smith, Kaylie Gardner, Hailey Rush, Abby Hunt and Brooklyn Rogers. Our Freshmen athletes were Sari Murdock, Kimberlin Johnstun, Callie Pugh, Taylor Fields, Jacob Bushman and Seth Hutchens

As of this writing we have the following athletes eligible to compete at state finals: Aaron Johnstun, Matt Fields, Talon Smith, Jacob Bushman, Kaylie Gardner and Kimberlin Johnstun. Those who are close to and may qualify are: Hailey Rush, Adrian Baloo and Seth Hutchens. We will keep working at our final track meet to get them qualified.

Top performers for the year were Matt, Kaylie and Talon. Matt qualified for state in every field event but pole vault, and he qualified for the 110 men's high hurdles as well. Kaylie qualified early in the 400 meter run, the 800 meter run and the 100 meter run. She decided to try the 300 meter low hurdles later in the season and came close to qualifying in those as well. Talon qualified in the first meet of the season in the 1600 meter, 3200 meter and 800 meter run. He beat his own record in the 1600 meter and the 3200 meter and is close to beating the 800 meter record as well.

The rest of our athletes have continually broken their personal records through the season and we are looking for top times, jumps and throws next year! Way to go TEAM! - Coach Rush

We wrestled in a tough section and although not everyone received a medal at the White Mountain Finals, they should all be very proud of their achievements this year. We would like to congratulate Terrell Kinlicheenie for placing 2nd in the 78 lb weight class and DJ Beatty for placing 4th place in the 167 lb weight class. We had a good season this year. We worked on fundamentals throughout the season and I think we improved week to week and game to game. Competing against schools much larger than ours was tough, but we stood up to the competition fighting through every minute of every quarter. We managed two victories this year against Round Valley and Rim Country (Payson). We had close games against Mogollon, St. Johns, and Winslow. In our play-off game against Show Low we came up a little short 41-38. This was a vast improvement from our first game loss to them 42-26. Our 7th grade team also won two victories against Round Valley and Rim Country. The coaching staff is proud of the effort the teams put forth this season.

What can I say about Jr. High Girls Basketball? Well, it was definitely a challenge, that's for sure. We started out with some girls not knowing basic rules of basketball and others that probably thought they had joined cheerleading - j/k! Tori and I just wanted to bring back the excitement of the sport to Joseph City. We pushed the girls very hard and wanted each player to have a better understanding of the game. We went from girls not knowing what traveling was, to being 10 - 0 in our last 7th grade game! It was such an honor and privilege to work with these girls. I hope they can see the tremendous progress they made throughout the season and continue playing the sport.

Into the Woods Synopsis:

When a Baker and his wife learn they've been cursed with childlessness by the witch next door, they embark on a quest for the special objects required to break the spell. On their journey, they meet familiar characters from fairy tales: Little Red Riding Hood, the Wolf, Cinderella, Jack and the Giant, and more. Each one has their own wish. Their wishes are granted near the end of Act One, but the consequences of their actions return to haunt them later, with disastrous results. It takes a few lives before the survivors realize that they have to act together in order to succeed. Thus, what begins as a lively fantasy becomes a moving lesson about community responsibility and the stories we tell our children.

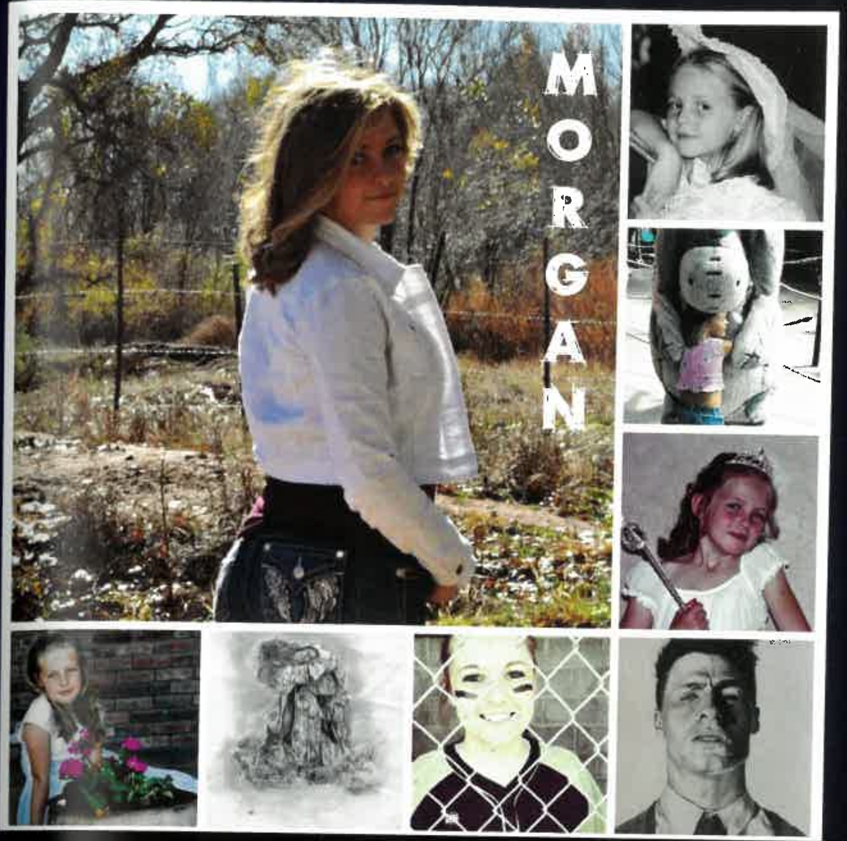
MY SWEET BABY GIRL,

I carried a miracle from God above. For nine months, I waited to show you my love. Hours of labor, my head's in a whirl, and finally the doctor said, "Congrats It's a girl." The first sound you made was well worth the wait. The moment I saw you I knew it was fate. Ten fingers and toes and a headful of hair, the face of an angel, all I could do was stare at this beautiful blessing that was given to me. I wondered what kind of mother I'd be. She's crying, she's hungry, Mom, what should I do? "You hold her. You feed her, it will all come to you." Twelve years of school have come and gone, and soon you will begin a life of your own. My prayer for you is that God leads the way, so pray to Him daily, He won't let you stray. May He bless you and guide you in all that you do, through good times and bad. He will be there for you. The love in my heart for you is so strong, it's there forever right where it belongs. It's time for you now to prosper and grow, but before you start I want you to know my memories of you are cute dresses and curls. I'll always see you as my sweet baby girl!

I LOVE YOU CERA JAILYNN THOMPSON!



To our dreamer, our princess, our butterfly chaser, our dress up queen, and our kid that was just full of imagination, adventures . . . and mischief. You have brought us much joy, sunshine, and grey hairs. :) You have proved you can do anything you set your mind to do. . . so keep moving forward with your talents. You're Amaz.z.z.zing!
